Chicken Supper Huge Success

The chicken and turkey population has considerably decreased since Armistice night when the Ladies Aid of the Presbyterian church gave their fowl supper. Long before the proceedings at the Memorial Hall was concluded the ladies were besieged with a ravenous crowd of exhibitioners who had come to do mosh not only the fowl but the immense quantity of other delicacies provided for the occasion. Yes, it was the largest and best conducted affair that Didsbury has ever had, and that's saying something when the ladies of this town have from time immemorial, well, perhaps not quite that long but ever since Didsbury was put on the map anyway, been noted for the wholehearted

Unveiled Tablet to Our Heros

Those who attended the unveiling of the Memorial Tablet to our heroes who lost their lives that we might live, on Armistice night in Memorial Hall, were deeply impressed with the solemn but simple ritual ceremony conducted by Rev. Capt. McCall of Carleton, a chaplain who saw two years service in the great war, and Rev. Mr. McGregor, assisted by Mr. W. A. Austin, local secretary of the G. W. V. A. Standing room only was obtainable a very few minutes after six o'clock, the time announced for the beginning of the service, which was opened by the singing of "God Save the King" and an impressive prayer by Capt. McCall.

Capt. McCall gave a splendid ad.

Capt. Shaw Addresses Meeting

The Opera House was well filled on Thursday night last when Capt. Shaw, Progressive Candidate for the West Calgary constituency, addressed a meeting which was composed mostly of farmers and members of the U. F. A. On the platform with him were Messrs W. A. Austin, W. McCoy, Fred Moyle, Mr. Reed, of Cremona, and Ex-Alderman Ads. head of Calgary.

Fred Moyle, the chairman, opened the meeting by explaining how Mr. Shaw came to be the standard bearer for the farmers after he had come out and announced himself as a progressive candidate, saying that himself with one or two others intervened Mr. Shaw as to his views before meeting him as their candidate and found him acceptable. He asked an attentive hearing for Mr. Shaw.

Mr. Adshead was the first speaker but he confined his remarks mostly to making fun of the Liberal-Conservative party which seemed to meet with the approval of some in the audience at any rate.

Mr. Reed, of Cremona, followed with some remarks and explained the aims and objects of the U. F. A. in a very fluent manner and stated that their organization had gotten practically everything they wanted by their own efforts. He blamed the Dominion government for all the ills from which the country was suffering from today and quoted Mr. Wood as to the money made by the manufacturing interests. He stated that Canada needed statesmen to bring it out of its troubles today.

Mr. Austin spoke shortly, praising Capt. Shaw as an old friend and also spoke off his military record.

Capt. Shaw prefaced his remarks by thanking the audience for honoring him with their attendance and welcomed the ladies into politics. He stated that he had never been associated with any party in thirty years and proposed to remain absolutely independent and scored the old party system. The campaign funds also came in for a scolding. He claimed that Mr. Bennett was like Rip Van Winkle, he had been asleep for the last ten years and wanted to turn back to the old party system instead of looking forward to progressive democracy. He blamed Mr. Meikle and the government for the heavy public debt, high cost of living, transportation troubles, unemployment and all our other ills, and also brought up the disenfranchisement bill brought in while the war was on.

The tariff also received a good share of Capt. Shaw's attention. He stated that the tariff cannot give stability as it built up a privilege class. All nations should limit tariffs as much as possible as no nation can be self contained. He opposed the argument of speakers at the forum meeting in regard to the Ford Co. and their cars also mentioning that the Massey-Harris Co. had said they could get along without a tariff. The English bill passed in October putting a tariff on several articles. Mr. Shaw explained were on such articles as binoculars, scientific instruments, etc., and not on key articles. The transportation troubles had been caused by too much railroad building, duplication of terminals, etc., and they were built by speculators. Suggested re-organizing the country. The sales tax, merchant marine, military and naval service, the senate and old

Railway Board Will Defer Decision On Grain Freight Rates

Winnipeg.—No decision will be rendered in the application for permission to allow the Canadian Pacific Railway Company the right to enter the Drumheller coal field over the line of the Canadian National Railway, until a public hearing has been held at Ottawa, it was announced by the board of railway commissioners.

Declaring that the basic industry of Western Canada agriculture was faced with absolute prostration; that farmers were leaving the country for the cities; and that grain traffic of the railways showed absolutely disastrous returns ranging from 33 per cent to 45 per cent, H. J. Springstead, K.C., representing the Manitoba and Saskatchewan Governments and the United Grain Growers, Limited, asked the board of railway commissioners to make drastic and material reductions in the grain freight rates in western territories.

At the conclusion the board announced decision would be withheld pending a further hearing to be held shortly in Ottawa.

Trouble In Montenegro

Natives Rebel to Secure Independence From Serbia

London.—An insurrection has broken in Montenegro for the purpose of securing Montenegrin independence from Serbia, according to an Exchange Telegraph dispatch from Rome which connects the insurrection with the Albanian situation.

A Montenegrin nationalist, says the message, has seized the highly important strategic height of Mount Lovcen.

Violent forest fires, alleged to have been started by the Serbs, are raging in the vicinity of Podgoritz.

The advance of Gogashy troops into Albania has been arrested by heavy counterattacks on the part of the Albanians, according to a Central News dispatch from Rome.

New Shippers to Trail Smelter
Nelson, B.C.—Six new shippers, all from the Stoom, sent one to the Trail smelter during the first week in November. The week was also notable for having one of the heaviest tonnage of the year, 13,547 tons, of ore and concentrates being received. The total receipts for the year to date at Trail stand at 218,565 tons.

Selling Out Racing Stable
Winnipeg.—D. J. McDonald, well known race horse owner of this city, is going out of the racing game and is selling his entire stable. Phil Patch, 2,95 1-2, one of the leading racers in Canada, losing only four races this season, is among the horses to be sold.

HALIFAX EXPLOSION WRECKED HER NERVES

The reader will, no doubt, remember when a few years ago there was a collision in the Halifax N.S. Harbor and one of the munition ships was blown up, causing great loss of life and laying a large portion of the city in ruins, and causing a great deal of suffering and distress among the inhabitants.

Mrs. Winfield Dill, now of Windsor, N.S., was living in Halifax at that time and went through this trying experience and the shock wrecked her nerves. She writes as follows:—"I was living in Halifax at the time of the explosion, and it wrecked my nerves so that I could not do my housework. I would take such nervous spells I would be under the doctor's care."

I saw Milburn's Heart and Nerve Pills advertised, so I took two boxes, and they helped me so much I took six more, and now I am completely relieved. I can recommend them to any one suffering from heart and nerve trouble."

To all those who suffer from nervous shock we would recommend our

Lloyd George May Yet Attend Conference

Washington.—Mr. Lloyd George, in a personal message delivered at the state department by Ambassador Geddes, expressed regret at his inability to attend the opening session of the conference and declared that nothing but the intensely delicate state of the Irish negotiations and matters relating to unemployment legislation in parliament precluded his attendance. He stated that he hoped to be present before the conference reached the deciding stage of its momentous work.

Fire Destroys Ontario Homes

Only Two Members of Family at Kearney Escape

North Bay, Ont.—Five persons dead and one child badly burned. Damage to the total reached in the casualties of a fire which destroyed three houses at Kearney, Ont.

The dead are: Mrs. Fred Wheeler, her baby girl, David, aged three months; Doris, aged about three years; Roy Wheeler, aged about six, and Sophie, 17, who died from burns. Another child, Mildred, is in a critical condition.

The only members of the family to escape were William, aged 23, and Freddie, aged nine, who jumped from a window at the rear of the house. William made a brave attempt to rescue his mother from a front room but she failed to answer to his calls. She was dead.

The tragedy occurred during the absence of Mr. Wheeler, who had left for North Bay, a distance of about 25 miles, on an early train. He was informed of the fate of his family by a telegram which was handed to him at the station here and sobbing pitifully he sought the nearest telephone. The meagre information available as yet does not account for the origin of the fire.

Increase in Manitoba Population

1921 Census Shows Province Is Growing Rapidly

OTTAWA.—The result of the 1921 census shows that the population of the province of Manitoba increased from 121,193 in 1911 to 152,865, an increase of 43.2 per cent. The population of Winnipeg increased from 136,935 in 1911 to 178,251 in 1921, an increase of 30.2 per cent. The city of St. James increased from 7,483 in 1911 to 12,138 in 1921, an increase of 62.3 per cent. A recent bulletin from the census department gave St. Louis a population of 12,816. This, it was explained, was due to a typographical error.

The city of Brandon increased from 12,339 in 1911 to 15,353 in 1921, an increase of 19.5 per cent. Portage La Prairie increased from 5,892 in 1911 to 7,418 in 1921, an increase of 25.8 per cent.

Britain Will Pay Interest to U.S.

Arrangement Has Been Made to Pay \$50,000,000 Yearly

London.—An arrangement has been made to begin paying the interest on the debt owed by Great Britain to the United States at the rate of \$50,000,000 yearly. It was announced in the House of Commons by Sir Robert Horne, chancellor of the exchequer. Sir Robert made this announcement in the course of a statement on the budget prospects. He added with emphasis:

"I hope this remark about the debt we owe the United States will not be made the occasion for any discussion of the interrelated indebtedness. It does not conduce to the friendliness of the feeling between the United States and ourselves to discuss that matter at all at present."

World Is Settling Down To Work, Says Lloyd George

London.—Mr. Lloyd George, speaking at the Lord Mayor's banquet, declared that there was a better prospect of Great Britain's proposals to Ireland being accepted today and Ireland accepting the invitation to enter the British commonwealth as an equal than for years, but that the conference was still in a critical stage. He said this he carefully refrained from divulging the results or the possibilities of the conferences which are now being held with the Irish representatives.

In his opening remarks the Prime Minister alluded to the economic troubles afflicting the world, such as followed the Napoleonic wars. He expressed the conviction that the force of the cyclone was already spent, and followed with a recital of numerous symptoms indicating that the world was coming, particularly the fact that "in every land the slackness that seemed to overcome labor is passing away."

"The world is settling down to work," said Mr. Lloyd George, "and it is work alone that will fill the de-

pleted tills which will enable purchases to come to the markets. The blue sky is beginning to emerge. The Washington conference, summoned by President Harding, is like a rainbow in the sky, far, without the assurance of peace, restoration of business is impossible.

"This conference comes none too soon. So far the war has not had the effect which every sane man anticipated from it. In arresting the growth of armaments, it has the most terrible destruction in the history of the world. That lesson was absorbed deep into the flesh of the world, and yet no sooner are we out of it than the catkins spread their substance in devices and amusing fresh engines for war; fresh subjects spring up everywhere to justify war. You might imagine that the one purpose and glory of national organization was human slaughter.

Great Britain Objects to French Priority

Agreement Regarding Reparations Injurious to British Interests

Washington.—Objections have been made by the British Government to the Locarno-Bathen agreement under which Germany would pay a considerable part of reparations in kind, that is in building materials and machinery, for the reconstruction of the northern departments of France.

The protest, which has been forwarded to President Harding by cable from Paris, represents that the agreement gives France a priority in payment over other alien and is thus injurious to British interests.

Comment among members of the French delegation to the armament conference is that it was really upon the suggestion of British statesmen that the French Government authorized M. Loucheur to negotiate with M. Rathenau.

The London point of view was that Germany could never pay more than a percentage of reparations in cash and that France could take precedence in kind payment.

Japan Facing Deficit

Situation Will Make the Strictest Economy Necessary

Tokyo.—Japan faces a deficit of 29,000,000 yen for the present fiscal year, the cabinet was told by Baron Taka-hashi, minister of finance. He added that current revenues indicated the figure might be even greater. Commenting on his statement, the Yomiuri Shimbun says:

"The situation renders strict economy in framing the new budget absolutely necessary. The finance department thus will have to resort to the broadest policy of retrenchment in examining the draft estimates presented by each government department."

Mother! Open Child's Bowels With California Fig Syrup

Your little one will love the "fruit" taste of "California Fig Syrup" even if constipated, bilious, irritable, feverish, or full of cold. A tablespoonful several times a day cleanses the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the sour bile, and undigested food out of the bowels and you have a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a few spoonfuls gives a sick child no more. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. "Mother! You must use 'California' or you may get an infection big syringe."

Returns From Perilous Journey

Small Motor Boat Made Journey to Siberian Coast

Vancouver.—The little motor ship, Casco, captained by O. L. Lee, under charter to the Hudson's Bay Company, has returned from an adventurous journey to the North Siberian coast.

The Casco left here early in June and visited a number of ports in the Behring and Siberian Seas. At Petropavlovsk, while repairing gas tanks on a launch alongside, two of the Casco's crew were killed in an explosion. They were G. A. Cline and J. O. Overhill, engineers, Sydney Bly, of Vancouver, sustained severe burns when he tried to rescue Cline at the risk of his life.

Auto Runs Into Water

Four Men Have Narrow Escape Through Driver's Error

Prince Rupert, B.C.—Four men narrowly escaped drowning when a closed automobile in which they were riding plunged over a wharf here and sank in the harbor. The men were trying out a new car, and the driver threw it into "blitz" when he meant to apply the brakes. They had to fight their way out of the closed car while under water.

Report Anti-Bolshevik Revolt

London.—Cecil Harmsworth, under-secretary for foreign affairs, replying to a question in the House of Commons, stated the government had received a report that an anti-Bolshevik revolution had broken out in the southern part of Russia. He said no information had been received regarding a report that General Petlura, Ukrainian leader, was engineering the revolution from Rumania.

U.S. Loan Declined

Victoria Can Raise Funds in London When Required

London.—A Melbourne dispatch to the Exchange Telegraph Company reports V. M. McPherson, treasurer of Victoria, as announcing that he had declined "a tempting offer of a United States loan to Victoria." The declaration, he said, was because of the fact that he had completed negotiations in London for a loan to be available when the government here desired to raise funds through this means.

RED PIMPLES ITCHED TERRIBLY On Chest, Face, Arms, Burned Badly. Cuticura Heals.

"Ever since I can remember, my chest, face and arms were filled with dry, red pimples. They were scattered all over me, and itched terribly at times, and I scratched them, causing them to fester and get sore. Sometimes they would dry away and form scales which burned badly. Then I used Cuticura Soap and Ointment. I had used them two or three times when I felt better and I was healed with one box of Cuticura Ointment together with the Cuticura Soap." (Signed) Miss Bertha Kase, Russell, Manitoba, February 19, 1919.

Use Cuticura Soap and Ointment all toilet purposes. Soap to cleanse, Ointment to heal.

Size 25c, Ointment 25c and 50c. Sold throughout Canada. Unveiled Tablet to Our Heroes

At the conclusion of his address before the unveiling and amongst other things he said that our respect and gratitude should still be continued to the thousands who had gone to the shell torn from that we might enjoy liberty. In his two years service he came in contact with times with absolutely unrelenting service to him because he was a multi-plier of the gospel and said that we must dare ever charge them with godlessness. Men who wore the roughest and longest were amongst the best friends he had. They often had rough exteriors but underneath was solid gold. He felt very proud of the boys who were left but felt proud of those who were left in Flanders fields, and he had no doubt where their souls were gone as there was never a fellow who put on the uniform first who had not counted the cost and decided in his heart to make the supreme sacrifice and did not count the cost, and that those who fell in battle would fall into the arms of infinite love.

At the conclusion of his address Capt. McCall drew aside the flag which contained the names of all who had joined the colors and which had been presented by the Didsbury Women's Institute, disclosing the brass tablet which contains the names of Didsbury's heroes dead, engraved thereon. Both the tablet and flag will be left in the Hall.

Mr. W. A. Austin also spoke for a few moments at the beginning of the ceremony and Rev. McGregor brought the proceedings to a close with a short but impressive prayer.

Chicken Supper Huge Success

manner in which they have carried out everything they undertook. Everybody and his wife and children were there.

There were five long tables each, long from almost to the stage back to the entrance of the Opera House, one table being reserved for veterans and their wives and families and they were all filled twice. After that there was not much left but the bones of the defeated foe.

After everyone was satisfied with the food, the tables were rearranged and the audience to listen to the fine program which had been provided.

The first number was a collection by Didsbury's new musical organization, the orchestra of ten pieces under the leadership of Mr. H. R. Alkenhead. To say that they were well received would be putting it mildly, and they deserved every bit of applause when it was considered that this little organization was only formed a few weeks ago and that they have put in a good many nights practicing to give the people of Didsbury something that they can enjoy during the winter months.

Mrs. Hans Hermannson favored with that beautiful old song, "When I Dream of Old Didsbury" which was greatly enjoyed. This was the first appearance of Mrs. Hermannson in Didsbury and the public will not doubt be very glad to hear her again.

Miss Nora Campbell gave a fine recitation and received a great ovation.

Capt. McColl gave an address that was full of Scotch humor and brought the crowd almost to its feet with his witty stories and soft Scotch accent. He has made himself very popular with the Didsbury public.

The Misses Margaret and Vera Saxmish rendered a piano duet that caught the crowd and they had to respond with an encore. These young ladies are well known and very popular in Didsbury and their musical ability will be closely watched.

Mrs. H. R. Alkenhead sang an old favorite "An Old Fashioned House in an Old Fashioned Street," which was well received. Mrs. Alkenhead is also another new comer and made her first appearance before a Didsbury audience.

Mrs. J. Haggard rendered the recitation of "Little Baptiste" in a very able manner.

Mr. W. A. Austin thanked the ladies for the splendid supper and evening entertainment and made a plea for the support of everybody on behalf of the Memorial Club which was trying to provide good clean amusement for the younger element of the town by providing a gymnasium and other recreation.

Doctor Clarke made an efficient chairman and introduced the performers in a very acceptable manner.

The proceedings were then brought to a close by the large and fine singing "God Save the King."

Capt. Shaw Addresses Meeting

ediment ministers being pensioned were more of the items covered by Capt. Shaw. He would fight for the development of the natural resources, take off the tariff on natural products and foodstuffs and be leveled the platform of the U. G. G. and Liberals was the best.

Hon. Mr. McAlister, Hon. Mr. Bonnet and the government were castigated all through the speech.

At the conclusion of Capt. Shaw's speech Chairman Moyle asked if anyone wished to put any questions, no person responding Mr. Moyle asked Mr. Shaw if he was elected would he be willing to come up and confer with the electors here. Capt. Shaw seemed somewhat embarrassed but stated that he would confer with people everywhere and not about here.

FORD TOURING \$766

The Big Majority of cars are Fords. Why?

1. Because the Ford has balanced power and dependability.
2. Because the Ford is the easy car to understand, maintain and operate.
3. Because the Ford is the enduring car. It stands up under the daily grind and roughest country roads.
4. Because it is the most economical car, lowest in first cost and maintenance.

AROUND THE TOWN

Don't forget the W. G. G. Little bazaar at Community Hall.

Ever see anything like the W. G. G. meeting at Barnside on November 25th.

Mrs. Frank Slough, of Vermont, a former Dunsbury resident, is visiting in town with Mrs. W. G. Liesner.

The Ladies Aid of the Evangelical church will hold their annual sale of fancy work home cooking

and plants in Vogel's old studio on Friday, November 25th. Lunch and ice cream will be served during the afternoon.

Knox church Ladies Aid wish to extend their thanks to the public and the performers at the concert for their help in making the supper such a success on Friday night last.

The regular meeting of the Burnside U. P. A. will be held in the Barnside school on Thursday evening November 24th, at 8 o'clock. Mr. A. B. Claypool, M. L. A. will deliver an address. There will also be a good program given and a dance afterwards. Everybody welcome.

Somebody in the Rugby district must be afraid that speakers for Hon. R. B. Bennett would influence some votes anyway, when they took the trouble to spread the report that the meeting had been cancelled and so kill it. The meeting was called for Saturday night and Mr. H. S. Patterson went out to the school house and found that someone had "kindly" telephoned around that there would be no meeting. If that's British fair play, trying to muzzle their opponents in this way it's a poor example. A good sample of old political stuff.

CARD OF THANKS

We wish to thank the public and all organizations for their help and for the beautiful flowers and wreaths sent for the funeral of our beloved son and brother.

W. McIntyre and family.

It is with pleasure that the Women's Institute of the town of Dunsbury announce that the Continental Publishing Company, Limited, have fulfilled their promise to furnish our town with a Street Service Flag, indicating in felt letters (or maple leaves) the boys who served so valiantly overseas from our town.

It has been a distinct pleasure to note the year in which the Continental Publishing Company, publishers of "Everywoman's World," have fulfilled their contract with us, and we take this opportunity to thank publicly our townspeople who so nobly supported this plan, and we feel that in so doing they have benefited themselves.

Those who are interested in seeing the completed flag, will find it displayed in the Memorial Hall henceforth.

NOTICE

I wish to announce that I have taken over the Rawleigh business formerly carried on by Mr. J. Schmelke and desire your patronage.

My motto—Good service and a square deal to all.
G. O. Ferguson.
